Do you want this abstract considered for poster presentation only?

Yes

No

No, accepted abstracts will be placed in oral or poster presentation categories based on review scores only.

2. Authors tab: Add authors

Search For A Person

If you are the primary author, please add yourself first. Before adding a new name, search the database to see if that name and contact information have already been entered. The search is not case sensitive and returns only exact matches. Do not use wildcard characters such as * You may use special escaped characters if the name is not found, enter it in the data entry form that appears next.

First Name: Match "Like" Starts with

Last Name: Match "Like" Starts with

Email Address: Match "Like" Starts with

Then – edit your information

Tab: Title Authors Abstract Text CNE Disclosure

Add/Edit People

There is a maximum of 6 total authors allowed for this abstract.

The Primary Author will receive all communication regarding the abstract's status and cannot be changed once submitted.

ROLE	PRIMARY AUTHOR	PERSON	EDIT	DELETE
Primary Author	*	Mary Smith, RN		

Ultimately, people will be listed in this format:

Mary Smith, RN, ONS, Pittsburgh, PA

Next step:

3. Abstract Text tab: Copy/paste the body of your abstract and upload a table or figure. Save the original work to your files for help in developing your poster or podium presentation.

Abstract Submission

Click here to show/hide instructions.

Abstract Guidelines:
To submit an abstract, you must limit your submission to 385 words, including section headers. Do not include your abstract title or authors. Submissions with a higher word count will not be accepted. Your submission should include the following sections:

- Significance & Background
- Purpose
- Interventions
- Evaluation
- Discussion

Copy and paste your abstract from your working document into the field below. Make sure to save your document for future use.

Clear Pasted Text 27 words entered. You may not exceed 385.

Here is the body of the abstract. No title and no identifying characteristics like authors or names of institutions.

- Significance & Background
- Purpose
- Interventions
- Evaluation
- Discussion
- Innovation

You may copy and paste formatted text from your word processor. Use Ctrl V to paste.

Image Upload (Optional)
You may upload one image for reference. Multiple images can be combined into one image to be uploaded below. This is optional.

The following file types may be uploaded: plain text document (*.txt), HTML document (*.htm), HTML document (*.html), JPEG image (*.jpg), PNG image (*.png), or GIF image (*.gif).

Upload image (optional)

Save

4. CNE Disclosure tab: You must complete to proceed with submission. You will only be able to complete it once you have Saved your work on the Abstract Text tab.
